Scott Slaughter, Activities Assistant

Ellee and Scott first met in 2022 while they worked together at another senior living community in Richmond's West End. Scott had been driving residents there for eight years before joining The Crossroads at Bon Air in March 2026. With all his experience, we're so lucky to have Scott as part of the CABA team!

Scott and his wife, Candice, have a 6-year-old black hound dog named Jack, whom they adopted during COVID-19, and a 15-year-old cat named Charlie. They enjoy decorating their home for Henrico's Christmas Tacky Lights Tour and spending time at the beach.

One of Scott's favorite memories from working in senior living happened when the muffler fell off his bus while he was driving a resident named Norman. Norman, who was handy with repairs, secured the muffler with bungee cords and rode with Scott to the dealership to have it fixed!

Scott says his favorite part of working with seniors is their positivity. "Residents are so appreciative, and it makes me feel like I'm making a difference in their lives. That positivity has a big impact on me too."
